

Hello Bacon Families,

The 2019-2020 school year will bring many changes regarding school start and dismissal times. In anticipation of changing needs for our families in the hours after school, we have organized an exciting range of extracurricular opportunities for your student to choose from. Extracurricular activities will run for four, six to seven week sessions, with the first session running September 3 - October 16. The four sessions will run as follows:

Session #1	Session #2	Session #3	Session #4
September 3 - October 16	October 28 - December 15	January 15 -March 6	March 30 - May 22

For your convenience, we have included the offerings for the first session of the 2019-2020 school year. Future session schedules will be sent home approximately 3 weeks prior to the start of the next session. Where available, you may register your student right away by following the link provided. All clubs will meet immediately after school; participation fees vary. Students will meet in the gym following the 2:23 dismissal bell, then will follow their club sponsors to their respective classrooms. All clubs will dismiss promptly at 3:30; transportation will not be provided. We hope these activities will provide a meaningful way to create enrichment for your student and assistance for the needs of your family. Please feel free to contact the school with any questions you might have or check out the links below. We look forward to an exciting year ahead.
